Kart Development Fund

What is the Kart Development Fund ?

“The Motorsport UK Kart Development Fund is designed to assist in realising the strategic objectives of Motorsport UK, fostering the growth of karting, and enhancing the overall quality of delivery and experiences for both new and existing participants through providing financial support to Motorsport UK affiliated clubs and organisations”

Fund created by the sale of homologated kart engines and tyres into the UK Market

- Set up in 2023 following the new kart class homologations
- Applications decided by an independent panel and Motorsport UK
- Open to all registered Motorsport UK Kart Clubs
- Applicants must run a minimum of 5 Motorsport UK permitted events per year

Funding Applications

The Funding Criteria agreed by the panel is that any funding requests must demonstrate a direct, positive impact on at least one of the following:

- Registered Clubs
- Permitted Events
- Licenced Circuits

Grant funding requests will be reviewed by a panel and should be aligned with Motorsport UK Strategic Goals across areas such as, but not limited to the following:

- Safety
- Promotion / Encouraging New Competitors
- Technology – Tools & Equipment
- Sustainability
- Diversity Initiatives

Applications will be considered over the following levels:

- Mini – Up to £1,000
- Major – Over £1,000 – Match funding required
