

Marshals Bulletin – August 2026

Welcome to the August edition of the Marshals' Bulletin, sent to all marshals registered with Motorsport UK. In this edition, you'll find updates on licence renewals, the new Motorsport UK Knowledge Hub, training, resources and some upcoming safeguarding training available to volunteers.

Renewal Webinars:

It is that time of year again! Licence renewals for the 2027 season are open from 15th September 2026. Renewing early helps ensure your registration is up to date ahead of the new season and gives you plenty of time to resolve any queries before you return to events!

To renew, simply log into Sport80 and go to 'Marshal Registrations', where you'll be able to complete your renewal. If you would like a step-by-step demonstration, you can watch a short webinar explaining how to renew [here](#).

Motorsport UK Knowledge Hub:

The Motorsport UK Knowledge Hub is now the central home for regulations, guidance, forms and supporting documents, replacing the previous Resource Centre.

Designed to help you find information more quickly, the Knowledge Hub lets you search within documents, ask questions and view version history, making it easier to access the latest information when you need it.

We're continuing to develop the Knowledge Hub and would love your feedback. If there's guidance you'd like to see, or content that could be improved, [please let us know](#).

Safeguarding Updates:

The Safeguarding Team and the Club & Volunteer Development Team will be hosting a webinar to provide more detailed information about the Race with Respect initiative and what it means for clubs, volunteers and officials.

The webinar will cover:

- An overview of Race with Respect
- The difference between Race with Respect and Safeguarding
- How Clubs can support the initiative
- How Motorsport UK can support Clubs and Volunteers

Date: Wednesday 30th September

Time: 7:00pm – 8:00pm

This webinar is aimed at club members, volunteers and officials. Attendance is entirely voluntary, but we would love to see as many of you there as possible.

If you would like to register your interest, please do so [here](#).

PRCs & Tabards Update:

We currently have a good supply of Personal Record Cards (PRCs) and tabards available. If you would like to request a PRC or tabard, please contact the Club & Volunteer Team directly at volunteers@motorsportuk.org.

Online Training:

There are a range of introductory modules on Motorsport UK's online learning platform which will help you in your role as a marshal. Simply log in to the Motorsport UK website and follow the instructions to access the Learning Hub.

If you need any support, we're here to help. You can get in touch with the Club & Volunteer Team via email, volunteers@motorsportuk.org or phone 01753 765000.

Whether you have a question, need guidance, or simply want to find out more about volunteering in motorsport, we'd be delighted to hear from you.
