2. I confirm that the information given on this application form and any supporting documentation is true and complete. I have taken full responsibility for completing the form and have not delegated any part of my responsibilities to any other person. If I provide false information I understand that Motorsport UK may take disciplinary action against me before the National Court, and / or may lead to my licence being permanently withdrawn. Failure to complete the form accurately with full disclosure may void insurance cover.

3. I will not do anything that could damage the reputation of or have any negative effect on motorsport generally. I understand that if I do so, Motorsport UK may take disciplinary and/or other action against me (see National Competition Rules Ch.2 App.2 Art.5.2, 5.3, Ch.2 Art.3, Ch.6 Art.3.2 and Ch.6 Art.8.1).

4. I undertake for the purpose of this application to never make use of drugs or of prohibited methods such as are defined in the Prohibited List of the World Anti-Doping Code of the WADA and by the Anti-Doping regulations of the FIA (see Ch.2 Art.2 or **www.wada-ama.org**) and understand that if I do so, Motorsport UK will take disciplinary action against me and my licence is likely to be permanently withdrawn.

5. Motorsport UK operates a zero tolerance policy to the use of drugs and alcohol and I therefore confirm that I will not take part in any practice or competition while under the influence of drugs or alcohol and understand that if I do so, Motorsport UK will take disciplinary action against me which may include the withdrawal of my Licence. I agree to submit to all testing protocols required in accordance with the NCR and any guidance issued by the ASN from time to time.

6. I confirm that the information given to any examining doctor regarding my present state of health and previous medical history is correct to the best of my belief.

7. I agree to Motorsport UK's Medical Consultant obtaining medical reports (if required) from any doctor who has ever seen me about anything which affects my physical or mental health. I have read National Competition Rules Ch.6 App.2 Art.3 setting out my rights and the procedures for dealing with medical reports

8. I agree that if any medical conditions arise during the validity of my licence, including (but not limited to) accidents at motorsport events, I must and shall inform Motorsport UK's Medical Team prior to competing in any further Motorsport UK Permitted Events.

9. I agree that where a medical report is provided by a doctor other than my own registered General Practitioner, Motorsport UK may ask for confirmation from my own GP. I agree that where additional or specialist medical reports are deemed necessary, or clarification is required, this may result in a delay in my application. I shall not commit to entering any Event until my application has been approved.

10. I understand and agree that Motorsport UK needs to collect, process and retain personal information about me including medical details contained in this application in order to issue my licence and to perform its obligations under the NCR, in accordance with its Data Protection Policy found at **www.motorsportuk.org/data-protection** or by contacting us at **privacy@motorsportuk.org**. I also understand Motorsport UK would like to use such information for the purposes, as specified in its current Data Protection Policy, which I have read, agree and understood.

11. I hereby consent to the collection, safe-processing and retention of my current and future medical data, obtained by Motorsport UK in pursuance of its obligations as the authorised national sporting authority. For these purposes I additionally consent to the provision to the Chief Medical Officer of Motorsport UK on behalf of Motorsport UK of all material medical information relating to me if I am involved in any serious incident while competing to include the nature of any injuries and any treatment given at or following an Event. I further consent to such data in wholly anonymised form being passed to FIA for the limited purposes of the World Accident Database and the enhancement of safety in motorsport.

18. I understand that disqualification from holding or obtaining a Road Driving Licence is incompatible with holding a competition licence, any other relevant Licences, during the period of disqualification and that non-disclosure of such disqualification is a material breach of the National Competition rules.

19. I confirm that I shall undertake Motorsport UK training when requested to do so.

20. I declare that I have never been convicted of (whether spent or unspent), and am not currently charged with or awaiting trial for, any offence involving the death of a person caused by the driving or use of a motor vehicle, wherever it took place (including on a circuit, race track, closed road, private land or other venue, as well as on a public road). This includes manslaughter, gross negligence manslaughter and culpable homicide, and causing death by dangerous driving, by careless or inconsiderate driving, by careless driving under the influence of drink or drugs, or by driving while unlicensed, disqualified or uninsured (Road Traffic Act 1988 sections 1, 2B, 3A and 3ZB), and any equivalent offence in any jurisdiction.

    - If I cannot truthfully make the declaration at point 20, I will not sign this application and will contact the Motorsport UK Member Services Team before submitting it. I understand Motorsport UK will then contact me for further information and may risk assess me before deciding my application, and that this will not automatically result in refusal.

    - I understand any conviction I disclose is criminal offence data, which Motorsport UK collects and retains only to assess safety risk and my suitability for a licence, in accordance with Article 10 UK GDPR, the Data Protection Act 2018 and Motorsport UK's Data Protection Policy at **www.motorsportuk.org/data-protection**
