

The Learning Hub: Accessing the EV Awareness Course

Step 1

Visit:

www.motorsportuk.org

and click on **LOGIN**

The screenshot shows the homepage of the motorsport UK website. At the top left is the motorsport UK logo. To the right is a search bar and social media icons for Facebook, Twitter, Instagram, YouTube, and LinkedIn. Further right are buttons for 'JOIN TODAY' and 'LOGIN'. The 'LOGIN' button is circled in red, and a red arrow points to it from above. Below the navigation bar is a grey banner with the text 'Click here to see the regulations out for consultation' and a close button. The main content area features a large image of a race track with a crowd and several cars. Below this image is the text 'Get your heart racing. Shop Starter Packs now'. To the right of this image are two smaller promotional tiles. The top one is titled 'Wednesday 6th September British Cross Country Championship set for 2024 return'. The bottom one is titled 'Tuesday 5th September Motorsport UK Club and Volunteer Awards are open for 2023 nominations'. On the far right is another tile titled 'Tuesday 5th September Rali Ceredigion ticks all the right boxes' featuring a rally car.

Step 3

Once you have logged in you will see the Motorsport UK members' area.

Click on the Learning Hub logo to access the Learning Hub.

The screenshot shows the Motorsport UK members' area for James Betchley. At the top, there is a navigation bar with the Motorsport UK logo, the user's name, and links for 'Edit Profile', 'Change Password', and 'Log Out'. Below this is a secondary navigation bar with links for 'Competitors', 'Officials', 'Marshals', and 'Member Benefits', along with a 'BACK TO MAIN SITE' link. The main content area features a welcome message for James Betchley, followed by instructions on how to renew a licence and a link for members using Apple devices. A section titled 'Online Training' contains a red-bordered box around the 'motor sport UK | Learning Hub' logo, with a red arrow pointing to it. Below this is a section for the 'Motorsport UK Yearbook' with information on how to request a hard copy.

JAMES BETCHLEY

Welcome to the Motorsport UK members' area.

You can renew your licence by clicking on the relevant tab above. Please note that Officials are unable to renew online.

Members who are using an iPhone, iPad or other Apple device can start their Competition Licence renewal by clicking [HERE](#)

Online Training

To access Motorsport UK's online learning platform, please click on the logo below:

Motorsport UK Yearbook

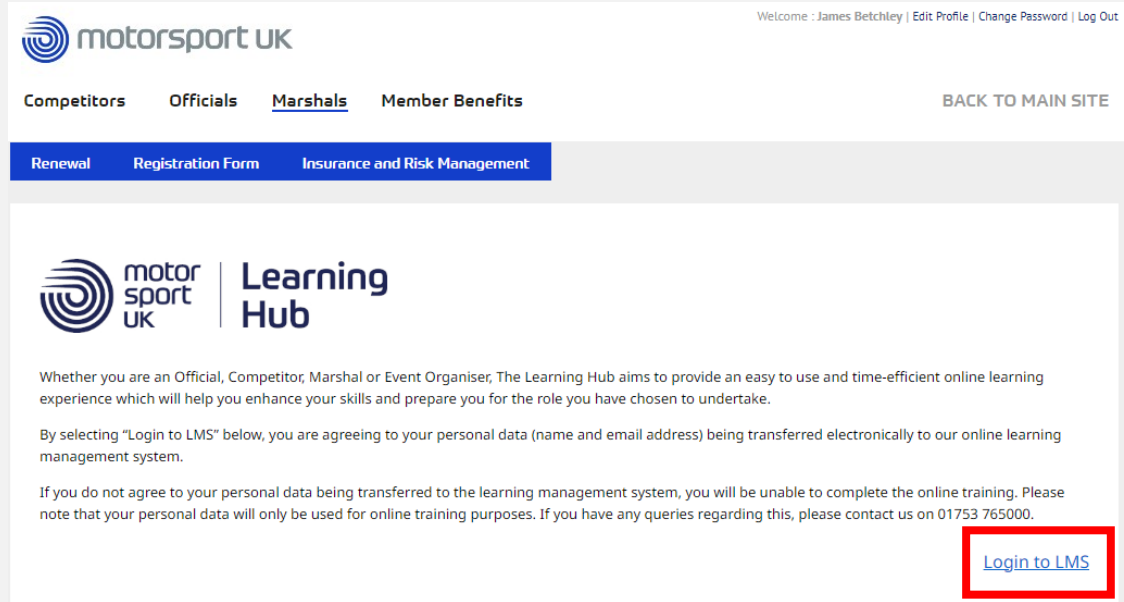

After listening to feedback from our members, we are no longer sending out hard copy Motorsport UK Yearbooks as standard with Competition licences. However, if you would prefer a hard copy, 2021 Competition licence holders (except RS Clubman) can request one free of charge by emailing membership@motorsportuk.org.

Please include your Motorsport UK membership number in your request.

Step 4

You will then be asked to confirm that you agree to your data being passed to the Learning Hub. If you are happy to continue, click **“Login to LMS”**.

If you are using a smart phone, you may have to scroll down within the text box to see the login button.

Step 6

Click on the picture to access the information inside each section.

The EV Awareness Course consists of 5 short modules and an assessment.

Officials

Welcome to the Motorsport UK Licensed Officials' homepage.

Whether you are a Clerk, Steward, Scrutineer, Timekeeper or other Official, this is where you will find the content for you. To begin, please select from the items below.

Officials Seminars

This section contains the video update and assessment for Clerks, Stewards and Scrutineers.

Trainee Officials' Learning Content

Here you will find learning content for Trainee Officials.

Light Panels - A guide for Race Marshals

This short video serves as a guide for Race Marshals explaining where light panels are currently installed, and how they are to be used at an event.

Introduction to Officiating

Find out more about the different Officials roles available in motorsport, and how you can become one!

Electric Vehicle Awareness

With the rapidly growing interest in electric vehicles (EV's), it is only a matter of time before they become more common in UK Motorsport. EV's possess a unique set of hazards that need careful consideration and awareness.

Safeguarding Awareness

This module is designed to give you an overview of safeguarding in motorsport and how to report any concerns that you may have.

First on Scene Guidance

Whilst they are rare, incidents can happen. In this multi-discipline module we'll look at some of the basic first on scene actions.

Officials Webinar Recordings

This section contains all of the latest Motorsport UK Officials' webinar recordings, slides, Q&A transcripts and learning assessments.
