## Section H – Licences

### Proposed Regulation

#### Kart – How to Upgrade a Licence

##### **19.2.2.2.** *Kart Interclub to Kart National*

A Competitor who is qualified to hold a Kart Interclub licence may upgrade it to a Kart National licence either at renewal or during the year as follows:

Obtain the Motorsport UK Steward's signature on the Upgrade Card at ten Clubman (prior to 31.12.2019) or Interclub Kart Races. One of these signatures may have been obtained at NatSKA or Kart Clubman meetings held under a Motorsport UK Permit. **A maximum of six signatures may have been obtained at Super KX Events.** Completion of the ARKS Course (8.3) will constitute one of the ten signatures. Signatures must have been obtained at a minimum of **two** ~~three~~ different venues; **a maximum of one Super KX venue will be counted for upgrading purposes.** For competitors in Long Circuit events only two different venues are required so long as the application is supported by a Long Circuit Karting organising Club. For upgrades containing both Short and Long Circuit signatures the minimum of three different venues is required. A competitor may only obtain one signature per meeting.

**Date of Implementation:** 24 June 2024

**Reason:** H8.3.3.1 was introduced from January 2024 to allow drivers accruing signatures in Super K-X events to count these for a Kart Interclub licence, but this did not allow them to use these signatures to count towards a National licence. This proposed amendment remedies that situation but it is considered that only one signature from a Super K-X venue should count to ensure that drivers have had experience in Interclub events.
