- (1) A higher grade of licence is valid for lower permit events of the same discipline.
- (2) ~~Only a KART Endurance Clerk may take charge of a Kart Endurance event.~~ **For Super K-X Events, please refer to separate ASN guidelines.**
- (3) The unrestricted National or International Stage Rally Clerk of the Course licence is also valid.

**Date of Implementation: Immediate**

**Reason:** Removing the provision of Endurance-only Clerk of the Course, which is no longer an issued licence. Regulation replaced with provision for Super K-X only Clerks. With the increase in popularity of Super K-X it is appropriate to incorporate the Officials' roles as already detailed within the current ASN guidance formally into Regulation.
