Proposed Regulation

Section Q – Circuit Racing

Q11.3.1. Any device receiving any data or utilising a GPS signal. ~~Mobile phone or tablet devices are~~ is prohibited from being carried in the Competing Vehicle whilst on the circuit unless specifically authorised by the Official Documents.

National Competition Rules – Chapter 12, Race

Appendix 4, Organisers Regulations and Restrictions

39. Any device receiving any data or utilising a GPS signal. ~~Mobile phone or tablet devices are~~ is prohibited from being carried in the Competing Vehicle whilst on the Circuit unless specifically authorised by the Official Documents.

Appendix 13, Competitors Vehicles Technical Regulations

53. Any device receiving any data or utilising a GPS signal. ~~Mobile telephones or tablet devices must not be~~ is prohibited from being carried within a the Competing Vehicle whilst on the Circuit unless specifically authorised by the Official Documents.

Date of Implementation: 1st January 2025

Reason: With advances in technology more and more devices are being found in vehicles at Events which do not meet the restrictions currently in place but would conflict with the intention of this regulation. It was considered that unless specifically authorised by the Organisers in their Official Documents these devices should not be permitted and present their own risks and at times advantages to Drivers who use them.

Any device not authorised by the Organiser is not permitted in vehicles.
