Proposed Regulation

NCR Chapter 14 Sprint, Hill Climb and Hot Lap Challenge App 2 Competitors Regulations

Drivers

4.3. Competitors are required to wear flame-resistant gloves (see **Ch.9 Art.12.6–12.8**) with the exception of **Standard Cars** and **Road Cars** where their use is recommended. **The use of a flame-resistant balaclava (Ch 9, Art. 12.3) is mandatory with the exception of Standard Cars and Road Cars where their use is recommended. For all categories socks (Ch9, Art. 12.4) and underwear (Ch9, Art. 12.2) is strongly recommended.**

Date of Implementation: Immediate

Reason: Following a number of fires resulting in facial burns the Sprint & Hill Climb Sub Committee were asked to consider mandating the use of balaclavas. During this review it was also noted that the overriding recommendation for fire resistant underwear was also noted as absence from the discipline regulations.

FIA guidance on is available here: https://www.fia.com/sites/default/files/guidelines_safety_clothing_web_0.pdf

It was therefore considered appropriate to follow the exception for fire resistant gloves for Standard Cars and Road Cars.
