The screenshot shows the homepage of the motorsportuk.org website. The main banner is for the StreetCar Festival, presented by motorsport uk, taking place on the 8th of September at Bicester Heritage, OX26 5HA. The banner includes the text "Discover Motorsport in Your Everyday Road Car" and a navigation arrow. To the right of the banner is an "EVENT SCHEDULE" section for the 8th of September, listing various activities such as StreetCar Festival Open, Sports Day open for all events, Table Top Rally Start at Motorsport UK HQ, and a Club Challenge and Autocross Taster track for lunch. Below the schedule is a "Thursday 22nd August" section with a photo of a blue Land Rover and the text "Aylesbury Landrover Fanatics will run punch-hunt discipline in inaugural grassroots motorsport festival". To the right of the schedule is a "Tuesday 20th August" section with a photo of a Formula 1 car and the text "The Bank Holiday bonanza!". At the bottom of the page are three smaller images: a man standing next to a red car, a blue car on a track, and three people in racing gear.

Step 2

Click on **Members** login

The screenshot shows the motorsport uk website with a navigation menu at the top. Below the menu are four promotional tiles, each with a login button. The first tile, 'Clubs, Competitors, Marshals and Officials', is highlighted with a green border. The other tiles are 'RS Clubman', 'K-I Licence Holders', and 'Esports'.

Step 4

Once you have logged in you will see the Motorsport UK members' area.

Click on "Learning Hub"

The screenshot displays the Motorsport UK members' area. On the left is a navigation sidebar with the following items: Home, Members, Events, Courses, Learning Hub (highlighted with a green box), Member Benefits, Purchase History, and Admin. The main content area features a user profile for Massimo Rosati (massimo.rosati@motorsportuk.org) with a 'Current' status and a 'View Profile' button. Below the profile is a photo of Massimo Rosati with a 'MAKE THE MOST OF YOUR MEMBERSHIP' overlay. To the right, there is a section for 'Upcoming Events, Courses' listing five events: Sandrace, Silverstone Festival, 24H Race Meeting, Silverstone Festival, and Silverstone Festival, each with a 'View' button. At the bottom right, there is a 'My Members' section with a search bar.

You are now in the new homepage of the Learning Hub. Highlighted on the left, the menu section.

The screenshot shows the Motorsport UK Learning Hub homepage. A green box highlights the left-hand navigation menu, which includes the following items:

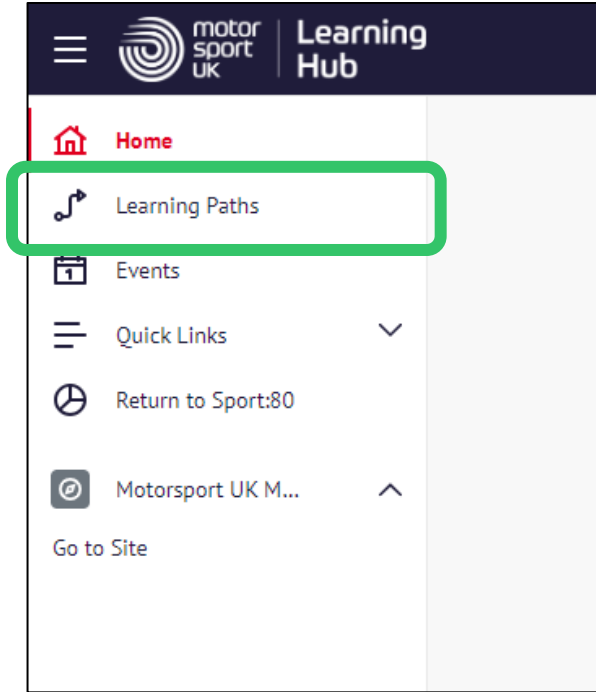

- Home
- Learning Paths
- Events
- Quick Links
- Return to Sport:80
- Motorsport UK M...
- o Site

The main content area features a large banner with a rally car and the text "Welcome" and "Welcome to the Learning Hub - the online learning platform for Motorsport UK members". Below the banner, there are several sections:

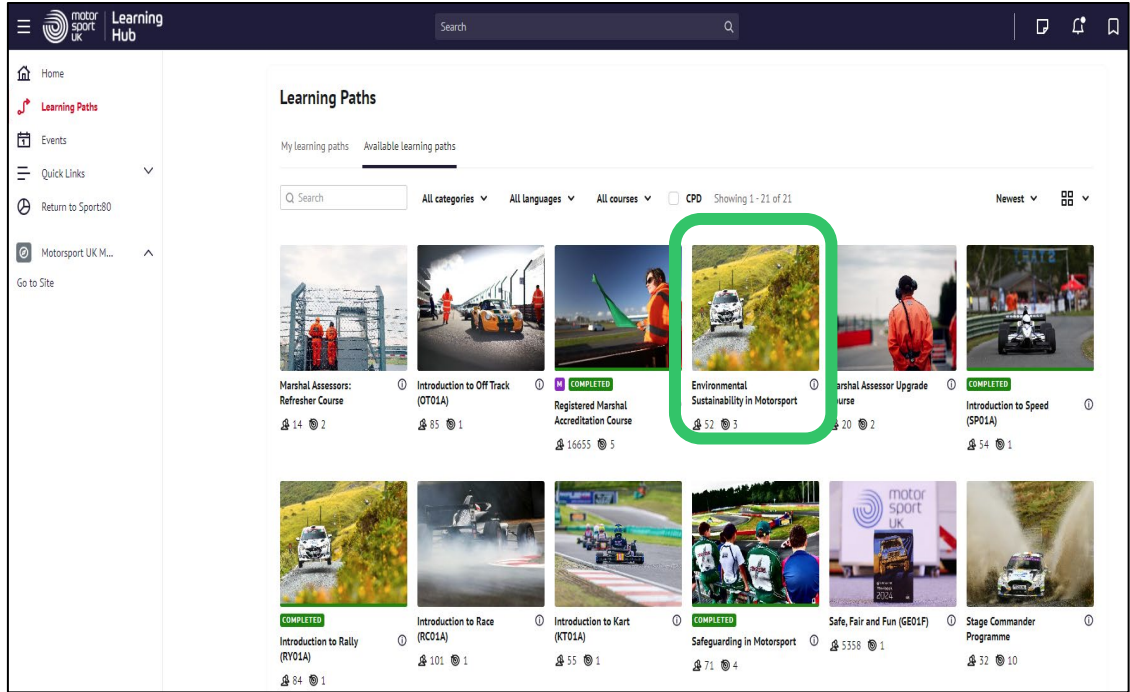

- My Learning Paths**: This section has tabs for "In progress" and "Completed". It displays two "e-Lifesaver" modules, both marked as "NOT STARTED" with a "Show Learning goals" link.
- Marshals' Pathway Modules**: This section displays a row of five small thumbnail images representing different modules.
- What's Next**: This section shows a checkmark icon and the text "Looks like everything is in order. Have a great day learning!".
- Achieved Certificates**: This section displays two certificates: "Fire Theory (GE01A)" and "First On Scene (GE01G)", both marked as "Permanent".

Step 5

Click on “Learning Paths”

Then you should be able to access the Environmental Sustainability Course under “Available Learning Paths”

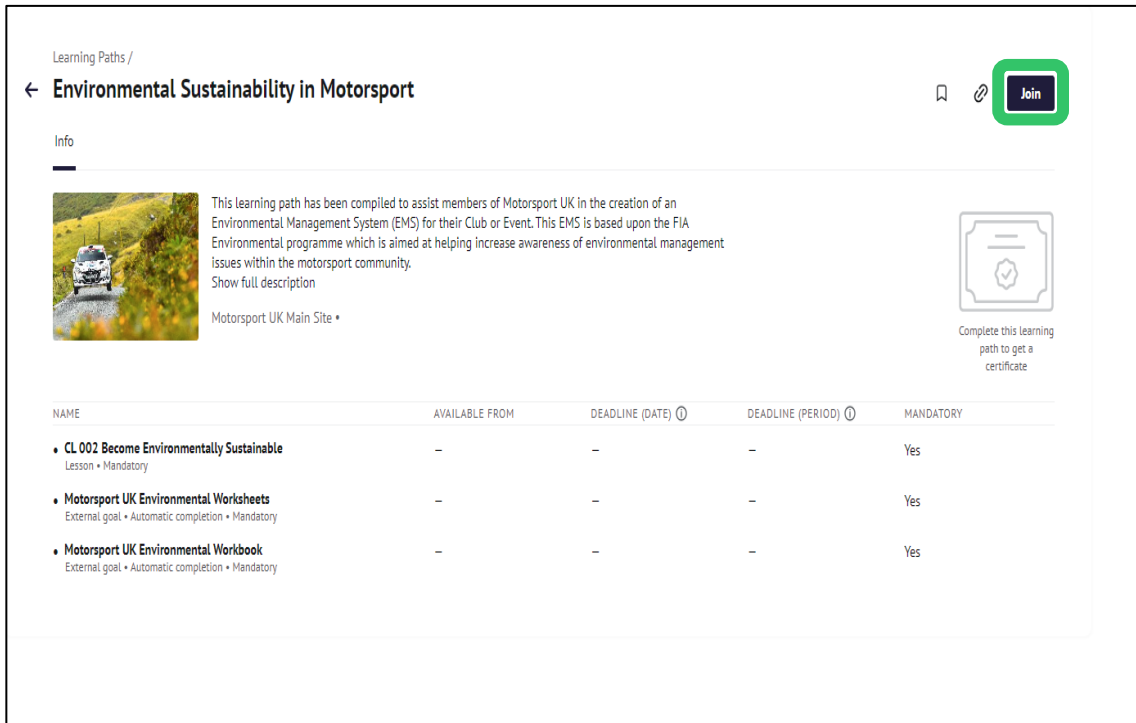

Step 6

Click on Environmental Sustainability in Motorsport Training module.

To access the Training module, click on **Join**.

The Environmental Sustainability in Motorsport Training module is made up of three sections.

You must complete each section, before being able to download your certificate.

Info

 This learning path has been compiled to assist members of Motorsport UK in the creation of an Environmental Management System (EMS) for their Club or Event. This EMS is based upon the FIA Environmental programme which is aimed at helping increase awareness of environmental management issues within the motorsport community.
