

Organising Team of the Year

Organising Team of the Year award showcases teams that are made up of volunteers that come together to organise a successful and innovative event for others to enjoy.

This is what one of the previous winners of the award had to say:

“This is great news for the club and the organising team behind the Kielder Carlisle Stages”, noted Colin Heppenstall, Team Leader. “We are very appreciative of been recognised for the hard work that was put into the event in a small amount of time to bring what we thought was an excellent event for a round of the British Rally Championship and British Historic Rally Championship.”

When filling out the Organising Team of the Year form you should consider elements such as:

- Collaboration and communication with members and the community
- Showing outstanding dedication
- Event progression and development
- The impact and influence the event has had

Top Tips:

- We would recommend using the “PEE” method; make your Point, share your Evidence and Explain what you are sharing.
- Please pay special attention to the word limit for each question. This will help you shape your answers as one-line responses do not tend to be highly marked.

Nominations are to be submitted via the online nomination form, and only information submitted on this form can be considered by the awards panel. Once you have started the online form, you can save your progress and complete it in stages until you are ready to submit your nomination.

Important Information:

- The nominations received throughout the year will be contacted directly by the end of December.
- Please note that the nominations are reviewed by an external panel against the criteria we provide, so by paying special attention to this document and the attributes mentioned, you can score highly when filling out the online form.
- Please only submit one nomination; there’s no need to submit multiple nominations for the same Organising Team.
- There is no limit to the number of endorsements an Association can make for the Motorsport UK Club of the Year Award and no limit to the number of endorsements/nominations a Club, Group or Association can make for this award
- No Motorsport UK employee or contractor can nominate for the awards.
